**REQUEST OF ASSIGNEE TO PROSECUTE,
AND CERTIFICATE OF CHAIN OF TITLE
UNDER 37 C.F.R. § 3.73(b)**

I, Gregg J. Ghelfi, am the President of RM Racing, LLC ("RM Racing"), an Arizona limited liability corporation, and the Assignee of the entire right, title and interest for the captioned patent application. I submit this request and certificate on behalf of RM Racing.

Assignee RM Racing hereby requests pursuant to 37 C.F.R. § 3.73(b) and MPEP § 324 (Rev. 3, July 1997) to assume sole control of the prosecution of this application, and any continuations, divisionals, and other applications based upon it.

I hereby certify that RM Racing is the assignee of the entire right, title and interest in the referenced patent application by virtue of the following chain of title.

— From the inventor, Randy Marchetti, to RM Racing, LLC:

An Assignment document dated June 20, 2002 and signed by the inventor has been submitted to the U.S. Patent and Trademark Office with the application papers for the captioned application for recordation. A true and correct copy of that Assignment document is attached hereto.

I have reviewed the attached documents and to the best of my knowledge and belief, title is assigned solely to RM Racing. I am empowered as the President of RM Racing to sign this certificate on behalf of the Assignee.

I hereby declare that all statements made herein of my knowledge are true, and that all statements made on information and belief are believed to be true, and further, that these statements are made with the knowledge that willful false statements and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

Dated: June 30, 2002

Gregg J. Ghelfi
President
RM Racing, LLC

PATENT RIGHTS ASSIGNMENT

This Assignment is made by Randy Marchetti, an individual residing at 7771 East Phantom Way, Scottsdale, AZ 85255 (hereinafter "Assignor"), to and in favor of RM Racing, LLC, an Arizona limited liability corporation having its principal place of business at 16161 North 81st Street, Scottsdale, Arizona 85260 (hereinafter "Assignee").

Whereas Assignor is the inventor of the invention described in the application for United States Letters Patent entitled "LAMP ASSEMBLY WITH DUAL MODE REFLECTOR," filed on October 30, 2001 and assigned application Serial No. 10/040,268 (hereinafter the "Patent Application"); and

Whereas Assignor desires to assign his entire right, title and interest in and to all patents, patent applications and the like on the above-identified invention to Assignee for valuable consideration; and

Whereas Assignee has provided such valuable consideration to Assignor;

Accordingly, the parties agree as follows:

1. Assignor hereby conveys and assigns to Assignee Assignor's entire right, title and interest in and to the Patent Application and the invention or inventions disclosed in it, including all continuation, continuation-in-part and divisional applications and all continuing prosecution applications based in whole or in part on the Patent Application, and including all patents and reissues, U.S. and foreign, resulting from it and/or them.

2. Assignor hereby assigns to Assignee Assignor's entire right, title and interest in and to all counterparts to the Patent Application that have been or may be filed outside the United States, whether pursued as a patent, an inventor's certificate, a utility model or the like, including all rights of priority based on the Patent Application, further including all continuation, continuation-in-part and divisional applications and all continuing prosecution applications based in whole or in part on the non-U.S. counterparts, and still further including all patents, inventor's certificates, utility models and reissues based upon or resulting from any of the non-U.S. counterparts.

3. Assignor hereby grants to Assignee the sole and exclusive right to prosecute and have access to the Patent Application and all related applications as described in Paragraphs 1 and 2 above, as well as any opposition proceedings, reissue applications, reexaminations, and nullity or invalidity proceedings. Assignor authorizes all governmental bodies having the power to issue patents, reissues, inventor's certificates or utility models to issue a patent, reissue, inventor's certificate or utility model based on the Patent Application or any related applications as described in Paragraphs 1 and 2

above in the name of Assignee.

4. Assignor agrees upon request and without further consideration, but at Assignee's expense: (a) to assist Assignee in prosecuting the Patent Application and all related applications as described in Paragraphs 1 through 3 above, as well as opposition proceedings, reissue applications, reexaminations, and nullity or invalidity proceedings; (b) to provide Assignee with information concerning the Patent Application to enable Assignee to obtain, secure and protect the rights granted under this Assignment; (c) to sign papers, take oaths and testify in legal proceedings to enable Assignee to obtain, secure and protect the rights granted under this Assignment; and (d) to perform all acts reasonably necessary to enable Assignee to obtain, secure and protect the rights granted under this Assignment.

5. Assignee may assign the rights under this Assignment in whole or in part. All references herein to Assignee include any successors or assigns of Assignee.

6. Assignor acknowledges that Assignee has provided valuable consideration for the rights granted under this Assignment.
